- For Accounts where the Bank issues more than one Credit Card and prepares a single monthly billing statement for all Credit Cards issued, the single billing statement will reflect AmaZing Rewards earned and redeemed on all Qualified Net Purchases charged to all Credit Cards. The earned AmaZing Rewards belongs to the applicant listed on your Account application (not the person named on the Credit Card).

REDEEMING EARNED AMAZING REWARDS POINTS:

You must request redemption of Rewards points you have earned. In order to redeem:

- You must have a minimum of 2,500 points earned.
- You must redeem at least 2,500 points at any one time.
- Your Account must be in Good Standing.

Points can only be redeemed by the owner(s) of the Account or an authorized user of the participating Account, including, without limitation, any person who is authorized to access your participating Account via online banking, and any authorized business company contact on business participating Accounts. You may request redemption of Rewards points by:

- Logging on to your online banking account, select the Credit Card Account, then select “Account Summary”, then select “Rewards”, then select “Redeem”. We will use all reasonable efforts to provide access to the Website on a 24-hour, 7-days-a-week basis. However, we cannot guarantee that access to the Website will be uninterrupted or available at all times. We assume no liability or responsibility for any delay, interruption, or downtime. Please see the Website for further details regarding your use of the Website.
- Calling us toll free at the number on the back of your Card (24 hours a day/7 days a week). If you redeem your points by calling the Contact Center, you will be making a request for the Contact Center agent to assist you with your redemption and the redemption will be deemed to be made pursuant to your instructions.

The credit of your AmaZing Rewards will occur 3-5 business days following your request for redemption.

- We will issue a statement credit corresponding to the number of points you redeem. Although Rewards points have no cash value, each Rewards point can be redeemed for a \$.01 statement credit.
- AmaZing Rewards credited to your Account does not qualify as a payment on your Account. Please be sure to make at least your full monthly minimum payment in addition to any AmaZing Rewards credit.

Other guidelines related to redeeming earned AmaZing Rewards points:

- You may redeem points against any Qualified Net Purchase listed on your rewards statement, even if you don't have enough points available to pay the purchase in full (“Partial Redemption”).
- At the time of each redemption request, only Qualified Net Purchases from the preceding 90 days are available to redeem against.
- Your points redemptions are considered final. You are responsible to review your Account and notify us promptly if you suspect there is an error of any kind reflected on your statement. Your Account will be deemed correct, and we may not be able to make any changes you request to any AmaZing Rewards points transactions or balances after 90 days, though we reserve the right to do so in our sole discretion.

TAX INFORMATION:

Redemption of AmaZing Rewards points may result in your receipt of taxable income from the Bank or its affiliates in the tax year in which the AmaZing Points are redeemed. In accordance with federal and/or state tax law or regulation, the Bank or its affiliates may be required to send to you and file with the IRS or applicable taxing authority tax reporting statements, which may include IRS Form 1099, for the year in which a reward is issued to you. The valuation of AmaZing Rewards point redemptions for tax reporting purposes will be made at the Bank's sole discretion. You are solely responsible for any tax liability arising out of the redemption of AmaZing Rewards points. Please consult with your tax advisor if you should have any questions regarding your personal tax situation.

PROGRAM RESTRICTIONS AND LIMITATIONS:

- The Program is also subject to all applicable laws and regulations. Many of these applicable Terms & Conditions, Agreements, or Disclosures may be viewed and downloaded from the Agreement Center on your online banking website.
- The Program and Website are provided on an “as is” and “where is” basis, with no express or implied warranty of any kind, including implied warranties of merchantability or fitness for particular purpose. The foregoing exclusions and disclaimers include but are not limited to damages arising out of or in connection with (1) use, operation, failure, defect, or interruption of the Program or Website (including Program enrollment and points redemptions), (2) performance or nonperformance by the Bank or its affiliates, or (3) any computer virus, communications failures, or unauthorized access to or use of any record.
- We may reverse points, debit your accrued points, and/or cancel benefits if we reasonably believe that a transaction was unauthorized, that the purchase was returned, or that the transaction was not a bona fide purchase of goods or services delivered or performed by the merchant. Such reversal, debit, or cancellation may result in a negative points balance on your account.
- You may not purchase additional rewards points, or sell, transfer, or assign your AmaZing Rewards points. Any aspect of the AmaZing Rewards Website may be changed, supplemented, deleted, updated, discontinued, suspended, or modified at any time. The Bank and its affiliates reserve the right to amend, cancel, or change the applicable Terms & Conditions or the Program, or restrict your access to it at any time with or without notice, to the full extent permitted by law. Your continued use of the Website or participation in the Program following any such modification will be subject to the applicable Terms & Conditions in effect at the time of your use or participation.
- The Bank and its affiliates shall not be liable to you for any delay or other damages that might result from any such modification, suspension, or discontinuance.
- If the Program is cancelled, or your account is closed or your participation in the Program is terminated, for any reason, all unredeemed points will be forfeited.

FEES:

- If you applied for your credit card through Amegy Bank or California Bank & Trust, and enrolled in the AmaZing Rewards program, a \$25 loyalty program participation fee will be charged by that Affiliate to your credit card account upon enrollment, and annually thereafter.
