TM Select fees are independent of any additional fees that may apply as disclosed in your Business Account Schedule of Fees or as disclosed when enrolled into a service not part of the TM Select program. TM Select transactions may count towards your checking account transaction volume. Contact your Banker or Treasury Management Sales Officer for details.

¹ A transaction is a combination of debited items (withdrawals), credited items (deposits) and deposited items per statement cycle, and includes the following:

Credits - any deposit into the account

Debits - any withdrawal such as check, draft, ACH or other debit against the account

Deposited items - each individual item that comprises a deposit, such as a check or other item deposited

² TM Select Discounts only apply to products receiving TM Select pricing as outlined in this schedule of fees. Mobile Remote Deposit Capture and Check Block do not qualify for the TM Select Discount and do not count as eligible products towards the monthly fee discount.

³ Business RDC requires a separate scanner purchase (facilitated by the bank or directly from a third party scanner provider). A list of supported scanners is available.

⁴ Fees associated with items when received or originated in Treasury Internet Banking.
